Friend --

I really hope you know how grateful I am to have you standing with me. And I hope you've heard me say that before.

But just in case, I want to send you something to make it clear how much I appreciate all you do.

[What's the best place for me to send a thank you note?](#)

For years you've stood by me -- and not just when we've won. You've been part of making access to affordable health care a reality for millions more in this country, in taking groundbreaking action against climate change, and in working to improve our immigration system. We took those steps together, and I can't thank you enough.

Sign up, then check your mailbox -- and know that we couldn't have done any of this without you:

Thank you. Really.
